

JAN RUWELL MENQUE

IT support Specialist

PROFILE

JOB DESCRIPTION

I am an IT graduate with 2 years of hands-on experience in hardware and software maintenance, along with web development. My expertise includes troubleshooting and optimizing systems for efficiency and reliability. I have also completed a small-scale web development project, demonstrating my ability to design, develop, and deploy functional web solutions. I am passionate about leveraging my technical skills to contribute to innovative and practical technology-driven solutions.
